

Breeze is a compact hand held Electronic Tax Register.

Breeze operates with direct AC or battery power supply, for outdoor use and where normal AC power is unavailable.

Breeze incorporates advanced features similar to high end tax registers and surpasses its competitors by far:

- **Graphic receipt**, with company logo and 24 icons for promotional messages
- **Electronic Journal, to save money** for paper, **space** for storage and **time** for roll changing.
- **Serial port**, to connect Breeze to a PC, modem, scanner etc.
