

ZEPHYR is a Point of Sale Tax Printer with Electronic Journal, produces crisp printouts with a 30 character for item description, high print speeds and a heavy duty paper cutter making it one of the best tax best printers comparatively. Company logo and icons are also printed in high resolution mode. Advanced technology allows for an “**easy paper loading**”: making customers service a breeze.

ZEPHYR’s design is unique and compact, for easy integration into any checkout counter.

Zephyr is available in one of the following three configurations:

- **ZEPHYR**, Standard
- **ZEPHYR DY**, with numeric keypad & display integrated
- **ZEPHYR Pole**, with alphanumeric backlit LCD 2 x 20 characters customer pole display.
